101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

* Lease term, 5 years.

Whole gas spacing areas may not be split by any lease selection except in the case of an oil discovery on a drilling reservation, or where the units which may be earned dictate otherwise.

Separate tenders enclosed in sealed envelopes marked "Tender for Parcel" must be submitted.

Each tender must be submitted showing the correct names of bidders and covered by an accepted cheque, bank draft or money order made payable to the Minister of Finance, in an amount to cover fee, rental and bonus. It is requested that instructions be given for returning of cheques, bank drafts or money orders covering unsuccessful bids. Cheques submitted for bonus bids should be in amounts directly related to any combination of bids being offered so as to minimize any overpayment. Issue of cheques for a refund of any amount not required is the responsibility of the Ministry of Finance and some delay in the issue of refund cheques can be expected.

Anyone may ask that, if an offer on one or more parcels is not accepted, it be considered on another parcel or parcels, provided the intent and order of choice is clearly stated, and the amount of the remittance is sufficient to satisfy the fee, rental and bonus on the further choice.

Tenders involving slide bonus offers must only include parcels of a like kind, i.e., all permit or all lease or all drilling reservation. Any tender received contrary to this condition will not be considered.

The right to reject any or all offers received is reserved.
